## **TRAVEL AND ACCOMMODATION ASSISTANCE**

FPMMAC will assist as many members as possible to attend for this important day.

Please advise us soon so that we can make accommodation bookings.

The level of assistance we can provide is in accordance with FPMMAC's new Travel Assistance Policy. We can only afford to provide travel, meals and accommodation to members.

### **Transportation**

Where possible, we will arrange minibus transport to those living in the SA cross-border region, as we have done in the past.

Those from outside Mildura who need to drive their private vehicle to attend will be eligible for an allowance for the round trip based on the distance from their registered place of residence. This is calculated at **55c per km and capped at \$400.**

Kilometre allowance payments will be either paid to members' bank accounts or by way of fuel cards issued upon arrival in Mildura. Members will need to sign an attendance form, including vehicle registration details.

### **Accommodation:**

FPMMAC will cover accommodation and meal costs for members where necessary. Accommodation and meals will be booked and paid for by FPMMAC.

Members who wish to make their own accommodation arrangements will need to do so at their own expense.

Toby-Lee Kirby is assisting FPMMAC with the meeting arrangements.
