YOUR CHILDREN, YOUR RESPONSIBILITY

Parent/Guardian Responsibility Statement

First People of the Millewa Mallee Aboriginal Corporation (FPMMAC)

The Mildura Tennis Club is a great venue, however if children leave the meeting area, there are a number of risks that must be managed. These include risks of cars, access to the river, other young people playing in the local tennis competition, unknown people in the park next to the club, and people walking dogs. To ensure the safety and wellbeing of all children attending the Annual General Meeting (AGM), parents and guardians are reminded that they are responsible for the supervision, care and behaviour of their children at all times throughout the event.

Parents and guardians must ensure that:

- Children remain under their supervision at all times. **Anytime a child leaves the meeting room, an adult must be in attendance as well.**
- Children are not left unattended at any stage during the event.
- Children behave appropriately and do not disrupt meeting proceedings.
- Children do not enter restricted areas or engage in activities that may pose a safety risk.

Any incidents, injuries or safety concerns involving their children are reported to event organisers immediately.

Please note: FPMMAC staff and event organisers are not responsible for providing childcare or supervising children during the AGM.
